Congressman,

This letter is written to urge you, as a
congressional representative, to urge the Congress to
take necessary measures concerning Holocaust
denial, possibly still being held in the Russian
Union. Solzhenitsyn has written about. Accord-
ing to the Simon Wiesenthal Center for Holocaust
Studies (9760 West Pico Blvd., Los Angeles, Calif. 90034)
there are reports of this world war II humanitar-
ian being alive today.

This fall witnesses will gather from all
corners of the world to offer testimony about this
horror of the Holocaust, at an International Tribunal
to be held in Stockholm, Sweden. It feels we
should let the Russians know that nothing
is forgotten, a man who risked his life over
and over again so that others would be spared
this human catastrophe.

So not being a Congress man myself I
want to give thanks to a great myself
those who feel this way. We live, unfortunately,
a time when the Russians should be told
some understanding their measures of relief
movement & effect strongly. Kroul was a
man who was unjudicious because
we have in the U.S. award honor for such
a, I hoped so let us award this man his
well honor. Let's not forget him before it's too
late.

Yours Sincerely,
